Sara,
Nothing has changed about submitting SF135s – only one Records Schedule/Item per form. I'm attaching the revised ones from your last batch. Please use them as templates for future SF135s/

If you add the EPA records schedule # (ex EPA 203a, EPA 006b, etc.) you'll receive a star from me, because it's more work for me to try to hunt that down by NARA disposition authorities, since they occasionally change and I have to find the historical iteration of it.

Thank you,

Joyce Aoyama
